## Agitation for Reduced School Fees During COVID-19 Period

The Covid-19 pandemic has brought unprecedented challenges, impacting the education and financial sectors. Many schools insist on 100% fee ignoring the financial situation of the parents.

## Objectives of the movement:

In the challenging situation of the Covid-19 pandemic, Savitri Samman Foundation started a movement to draw attention to the important issue of 100% school fees. The movement was aimed at advocating for a **concession in school fees** due to financial constraints caused by the pandemic and lockdown measures.

## Issues of agitation:

- Cost reduction: Cost-effective education support as per the current situation requirements.
- Consideration: Schools should consider financial situation of the parents and take decisions accordingly.
- Transparency: Pricing arrangements should be approved based on online education services.

## The movement included the following activities:

- Online campaign:** Social media platforms were used to share stories, experiences and concerns of parents affected by the 100% fee demand during the lockdown.
- Petition Drive:** Petitions were launched to gather signatures and support with the aim of presenting a united voice to education authorities.
- Interaction with schools:** The representatives of the agitation were engaged in interaction with the school management to discuss the fee-related issues and find viable solutions.
- Media Coverage:** The issue received media attention as newspapers and news channels highlighted the challenges faced by parents in paying full fees.

# Kanifnath Trek and Plantation Program

 Date: 12/2/2022

 Time: 6:30am

 Location: Kanifnath

The Savitri Sanman Foundation organized the **Kanifnath Trek and Tree Plantation Program** with the primary aim of promoting good health, raising awareness about the importance of personal well-being, and emphasizing the significance of environmental conservation through tree planting. The foundation sought to bring together its members and the community to engage in a meaningful and impactful event that would contribute to both individual health and the environment.

## OBJECTIVES:

- Promoting Health Awareness:** Through the Kanifnath Trek, the foundation aimed to encourage participants to reflect on their own health and well-being.
- Environmental Conservation:** The Tree Plantation Program aimed to educate participants about the vital role trees play in preserving the environment. By engaging in tree planting, the event aimed to encourage a sense of responsibility toward nature and inspire a greener, more sustainable future.
- Empowering Women:** The event sought to emphasize the importance of women taking charge of their own health. It aimed to inspire women to prioritize their well-being and make informed decisions about their health.

## IMPACT:

The Tree Plantation Program contributed to environmental awareness and action.

Participants gained a deeper understanding of the ecological benefits of trees, and the act of planting saplings helped establish a stronger bond between the community and nature. The event's collective efforts toward tree planting will have a lasting impact on the local ecosystem and contribute to a greener, healthier environment.

## EVENT HIGHLIGHTS:

The event commenced with the Kanifnath Trek, during which participants trekked to the revered Kanifnath Temple. The participants engaged in conversations about the need for regular exercise, a balanced diet, and stress management.

Following the trek, the Tree Plantation Program took place. Participants were involved in planting a variety of saplings in the vicinity of the temple. During this activity, the importance of trees in purifying the air, conserving soil, and supporting biodiversity was discussed. The act of tree planting also highlighted the significance of community participation in creating a more sustainable environment.

## CONCLUSION:

The Kanifnath Trek and Tree Plantation Program organized by the Savitri Sanman Foundation successfully achieved their aims of promoting health awareness, empowering women, and fostering environmental conservation.

The foundation's efforts are commendable, as they contribute to both individual and community growth while nurturing a sense of responsibility towards one's own health and the environment.

A Guardian's Commitment to  
Educating Young Girls

## Introduction

---

The Savitri Sanman Foundation is committed to empowering women and supporting vulnerable communities. For the academic year 2024-2025, the foundation has taken on the guardianship of eight girls, all daughters of farmers who tragically lost their fathers to suicide. The foundation is providing them with financial assistance to continue their education.

# Objectives

- Support Education:**  
Ensure uninterrupted schooling for the beneficiaries.
- Empower Girls:**  
Promote gender equality by providing equal educational opportunities.
- Ease Financial Strain:**  
Alleviate the economic burden on the families of these children.
- Foster Well-being:**  
Offer stability and hope to these young girls by securing their educational future.

# Conclusion

The financial support received has been utilized effectively to provide these young girls with the necessary resources for their education. The Savitri Sanman Foundation remains committed to empowering women and supporting those in need, and we are grateful for the continued support in this mission.
